Dear Parents,

On Monday our 10 young Year 6 leaders, comprising of our School captains, School vice captains and House captains, took up the opportunity to attend the Young Leaders Conference held annually in Sydney. Every year, when the children return from the conference, I absolutely look forward to talking to them about the day. My office is a wonderful noise of talking and laughter as the children tell me about their favourite speakers, inspirational moments and the bits that made them laugh.

One of the memorable ‘fun moments’ was playing the giant beach ball challenge where the 6000 students in the audience were divided into 4 teams and without moving their feet had to work together to bounce the ball from the top of the venue to the bottom and back again!

The children also reported that Andy Griffiths made them laugh and told them how to write stories. His hint was to write the opposite to what everyone else expects. He started writing as a young boy when he made a ‘nothing to do book’ with anything he thought was funny. As a teacher he had an English class who hated reading and he wrote them funny books to engage them with one of his first books being ‘Just Tricking’.

Coen Ashton, a 16 year old boy, born with a serious lung disease, inspired the children to never give up as he didn’t, even when given a shortened life span. At the age of 13 he was very lucky to have a successful lung transplant. Before this he jet skied the Murray River which took him 7 weeks. Later after his transplant he jet skied the Murray River again and took only 7 days. Both of these races were to raise awareness of organ transplants. He managed to convince a further 1000 people to support organ transplants.

There is so much more I could write from the children’s reports but perhaps we should finish with the children being inspired by Ita Buttrose whose key message was to never give up, be determined and if it’s your dream chase it. What a great day! Many thanks to the parents who were able to travel to and from Sydney with their children to attend this event. Although I was pleased to hear the children say ‘my parents loved it too’.

Today the Yrs 2-6 children ran in the school’s Cross Country. The staff were pleased to see so many children participate and score points for their Houses. The students who qualify for the District Carnival will receive the information by next week. The District Carnival will be held on Wednesday 7th May. Today’s results will be published in next week’s newsletter.
Year 6 have begun their fundraising campaign where funds raised are used to purchase a gift for the school at the end of this year. Yesterday they held a very successful cake stall. The supply of cakes was enormous and very delicious. We all enjoyed partaking in this event! Next week they are organising the Easter Pack.

Mrs Dabusti has been thrilled with the fantastic support from children in all classes K-6. Thank you. 😊

The K-2 Easter Hat Parade is being held next Thursday 10th April commencing at 9.30am. All parents are welcome to attend this parade which is being held in the school hall. Also on this day is our Whole School Assembly which will be hosted by Year 5 commencing at 12.10pm. 

Don’t forget to come along to the Community Fun Day and support our P&C’s stalls. It is this Sunday 6th April 10am – 3pm. Hope to see you there.

Finally ….. EXCITING NEWS. Our new Stage overview pages and class pages are now live on our school website. Go to ‘Our School’ then ‘classes’ then select your stage and on this page are the class names which you just click on.

Have an enjoyable and safe week,

Warm regards,

Ros
