Dear Parents,

Another week of celebrations as our first 2 ‘Bungendore’s Got Talent’ (BGT) heats were held last Friday. We were entertained with singing, poetry, dancing troupes, ballet, balloon puppetry, magic and even a world wrestling match! I must say that I also agreed with Mr Brothers when he said to the audience “you were so quiet that I didn’t even know you were there!” The audience showed great respect to our performers and happily engaged with the items where requested. Well done! Also congratulations to the children who practised and put a lot of effort into their performances. We look forward to watching the K-2 BGT Heat this Friday 20th June commencing 9.30am.

Last Saturday evening our P&C held a very successful Trivia night. Over 150 parents and community members participated in a great night. I thoroughly enjoyed the night with lots of laughter and fun had by all. Whereas all events have a team of people helping out I’m sure the P&C team will agree with me when I single out and thank Nicole Henry for her excellent organisation. Later in this newsletter is a full report from the P&C which highlights all the wonderful sponsorship that made this event a huge financial success. Please take a moment to read this list. Thank you in advance.

Last Thursday our athletics carnival got off to a very foggy start. Ms Leggett reported:

The day warmed up and the fog lifted, and so did our athletes. All the students who attended, whether competing or cheering, did a splendid job. Many will be off to Wright Park next term for the District Carnival. A special mention, Jarrod Barker, who broke the school’s 11 year boy high jump record which has stood since 2009, jumping 1.3m. Congratulations and thank you to the many parent helpers and staff, without whom our carnival would not be a success.

It was a hard competition on Tuesday 17th June, when Bungendore’s Rugby League team played in the semi-finals for the Sullivan shield. Mr Wyatt reported:

The boys had five 15 minute matches to play and score as many points as they could to get a place in the finals. The boys showed excellent sportsmanship and worked extremely well together, trying their best in each and every game.
The boys won the first game against St John with the score 10/6, where both Harry and Darcy scored points. Our second game was against Latham Primary, which we also won 10/4 with Darcy and Jackson scoring and Mitchell converting. Our third game was lost 12/0 against Good Shepard. Our fourth we also lost against Mt Carmel 6/0. Our final game against Holy Family was a nail biter, where Ayden scored and Jarrod converted in the first 2 minutes, but unfortunately we lost that game 12/6.

Well done to the boys, you all played excellent football against some very skilled teams.

We have had a complaint about parents who park opposite the buses, and call to their children to cross the road walking between or in front of the buses. The concern is that this is very dangerous for both the children and all drivers. All pedestrians should use the Majara or Gibraltar Street crossings to maximise safety when crossing these roads.

Have an enjoyable and safe week,

Warm regards,
Ros 😊

**Bungendore Rockets to debate Sutton Public School team**

Sutton Public School will host a debate between the Sutton team and the Bungendore Rockets on Friday. The two teams will be given a choice of three unseen topics to do with The Media to debate. Each team will have just one hour to prepare arguments for the debate. No assistance is provided to the teams during preparation or the debate itself. Each speaker is expected to speak for four minutes, no more than five minutes. The Bungendore Rockets will also debate Pambula Power via video conference on Friday, July 18. Dates are being set for the final two debates which will see the two Bungendore school teams “face off” and the Bungendore Jets’ turn to meet the Sutton team.

**Defence News**

It is that time of year again, when for military families, talk about end of year postings starts to occur. Children react differently to adults when a posting occurs and their reactions to moving will change each time. Some children view a move as a positive experience, the chance to see new places and meet new people, most have concerns and worries about losing friends. Even if they have been to the locality before, things will be different each time. To ensure that I can support the children as much as possible with an upcoming posting, I would like to ask that you let me know as soon as possible after the posting is confirmed. A message can be left at the front office, or drop me an email at marina.pilicic@det.nsw.edu.au.

Marina Pilicic
The P&C Trivia Night held last Saturday was a great success, with over 150 trivia enthusiasts enjoying a night of fun facts, supper and games! A huge thank you goes to Nicole Henry and her team: Kimberley Pattinson, Kate Laidler and Natalie Schwiekert, who worked tirelessly to organise sponsors, questions, and everything that ensured the night ran smoothly. We are also very grateful to the MC Matt Linnegar, who generously donated his time and effort and was both erudite and entertaining! Thank you also to the volunteers who set up and cleaned up the hall, and to Emily Howarth for audio visual support. Around $4,500 was raised through ticket sales, generous sponsorship from local businesses, and activities on the night. This money will go towards various P&C projects for the school.

Don’t forget the next Bungendore’s Got Talent heats this Friday 20th June – and the Grand Final the following Friday 27th June Bring a gold coin donation and enjoy our school’s great talent! Save the date for the upcoming P&C events in term 3:

The Bungendore Public School P&C Association would like to extend a big heart-felt thank you to all the businesses that helped to make last Saturday night’s Trivia Night possible. We would also like to send out a big thank you to everyone who attended, it was such a fun and entertaining evening. We have been hearing very positive reviews and it has been such a success that many are already talking about next year’s event!

The P&C never cease to be amazed by the commitment of our local businesses and community in supporting the P&C’s fundraising activities. The P&C managed to raise over $4000 from the trivia night. This is a significant contribution towards this year’s fundraising goal of replacing and improving playground equipment.

Without the generous sponsorship and donations from our local businesses the trivia night would not have been possible. We would like to extend a very special thanks to:
