Dear Parents,

We have now reached the end of a short but busy Term 2 which will finish on a high with our ‘Bungendore’s Got Talent’ (BGT) Final being held tomorrow commencing at 12.20pm in the school hall. This has been a fabulous event. Last week we were entertained by our K-2 children who proudly sang and danced, recited poetry and even did some stand-up comedy telling us jokes. Tomorrow we will be watching the 12 finalists being 4 acts from each heat, chosen by our 3 visiting judges. I’m sure anyone who has attended these heats will agree with me that the children have given us all a lot of pleasure with their performances. A big thank you to Haidee Whiteley and Kyle Brothers for their excellent efforts in organising and running this event and we wish all our finalists good luck for tomorrow’s event.

School reports were sent home yesterday and with those reports was an invitation to attend parent/teacher interviews in the first 3 weeks of Term 3. We hope you are able to return those slips and take up the opportunity to discuss your child’s progress with the teacher.

Our Rugby League team has continued to be very busy competing in the PSSA Knockout competition. Since last week’s newsletter they have travelled to Moruya where they won and then to Ulladulla yesterday where unfortunately they lost. The boys should be very proud of their efforts and excellent sportsmanship throughout this competition. Congratulations boys!

Below are Mr Wyatt’s 2 reports from these games:

Again, the Rugby League team has made their parents and the school proud. On Friday 20th June, we played Moruya down the coast. It was a warm 22 degrees and the boys only had 12 players on the team. We won the match but it we had to try hard to do so. Both Jackson and Ayden score tries and Jack M and Mitch kicked a goal. The final score was 12/10. Our next game will be at Ulladulla next Wednesday. Well done boys!

While everyone was freezing in Bungendore on Wednesday, the rugby league boys were playing in sunny Ulladulla. They played exceptionally well, working together as a team, but were unfortunately defeated 10/14. Some excellent play was conducted by Jack B, who scored our first try. Ayden scored our second try and Mitch converted one of our tries. Other notable players include Brodie with some excellent runs, Harry V with his fantastic tackles and Jarrod who saved quite a few tries from being scored by Ulladulla. Well done boys, you made your parents and the school very proud of your efforts.

Last week our Junior and Senior Ensemble groups performed for us at both Infants and Primary assemblies entertaining us with song and drumming. They did an excellent job and from my point of view not only was the performance of a high standard but it was a pleasure to see the delight on the children’s faces as they thoroughly enjoyed what they were doing. Well done! At these assemblies we also heard our small but talented group of recorder players play some of the music.
they have learnt for the State Instrumental Festival. This festival is being held at the Opera House tonight! I’m sure all of the children’s hard work and dedication will result in them having an exciting and rewarding experience tonight. We thank Mrs Lawson for the great work she has done with these groups.

Well done to our debating teams. Ms Forman reports:

Sutton’s team got the better of the Bungendore Rockets on Friday, June 20, with the debate going to Sutton by two points. The debate topic was that advertising on television targeting children should be banned. Bungendore Rockets lost the coin toss and were negative for the debate. There were some great arguments on both sides and both teams used their time effectively. Bungendore Rockets have gained a great deal of confidence since the start of the debating season.

Next Term the primary assemblies will be held once a fortnight and not weekly. The weekly awards will still be the same but they will be presented each fortnight. The assemblies will be held in the even weeks of the term. These dates will be listed on next terms calendar both in the newsletter and on our website.

We wish all our families a safe and enjoyable holiday and look forward to seeing all the children back to school on TUESDAY 15th JULY.

Have an enjoyable and safe week,

Warm regards,
Ros ☺

Bungendore Public School debating team update

The dates for the final three debates have been confirmed. Bungendore will host Sutton on Thursday, 17th July, when Bungendore Jets will face Sutton’s team, and there will also be a debate between Jets and Rockets on the same day. Bungendore Rockets will face Pambula Public School’s Power team via video conference on Friday, 18th July.

Regards
Ms Forman

Defence News

It is that time of year again, when for military families, talk about end of year postings starts to occur. Children react differently to adults when a posting occurs and their reactions to moving will change each time. Some children view a move as a positive experience, the chance to see new places and meet new people, most have concerns and worries about losing friends. Even if they have been to the locality before, things will be different each time. To ensure that I can support the children as much as possible with an upcoming posting, I would like to ask that you let me know as soon as possible after the posting is confirmed. A message can be left at the front office, or drop me an email at marina.pilicic@det.nsw.edu.au.

Regards,
Marina Pilicic
