Bungendore triumphs at the 2015 Premier’s Spelling Bee Regional Final

Bungendore Public School’s Eric Moore is bound for Sydney on November 11 to compete in the State Final of the NSW Premier’s Spelling Bee after winning the regional final held at Sunshine Bay Public School yesterday.

In what was an exciting day of spelling, Bungendore’s other junior representative at the regional final, Miles Bray, was named runner up and will be a reserve for the State Final.

The two boys competed against students from 20 schools in elimination rounds that lasted for close to two hours. Eric successfully spelt c-a-p-i-t-u-l-a-t-e to clinch the win. For their achievements, Eric and Miles were each presented with a certificate, Macquarie dictionary and Macquarie thesaurus.

Meanwhile, Bungendore’s senior entrants in the regional final, Christina Hood and Lana Fraser, also showed spelling excellence yesterday. Christina reached third place, her best result in the three consecutive years she has competed at the regional finals, successfully spelling c-a-t-e-r-w-a-u-l but succumbing to h-y-p-o-c-r-i-s-y and Lana gained a place in the top 10 after being outfoxed by the word s-u-p-p-a-r-a-t-e. Along the way, they correctly spelt: grenade, tarnish, Sparta, legume, ensued, embodiment, literature, memorandum, sewerage, sustenance, adjourn and caterwaul.

Eric and Miles correctly spelt: quiz, network, perfect, warship, waddy, surname, slather, malfunction, thistle, trophy, wallet, faucet, intermediary, impressionism, bombora, linguistics, karate, calamari, serpentine and capitulate.

The State Final of the competition will be held on Wednesday, November 11 at the Eugene Goossens Hall, ABC Centre, Ultimo. Words for the competition are provided by Macquarie Dictionary and are divided into several categories. Junior and Senior students study different wordlists. Regional and State Finals also include unseen words in later rounds.

Macquarie Dictionary will also provide Bungendore Public School with a free school-wide subscription access to the Dictionary and Thesaurus online. This will provide all students at the school with the ongoing opportunity to practise their spelling and help Eric and Miles in the lead up to the 2015 State Final.

The Men from Snowy River- 100 years on

The Delegate Progress Association is very proud to facilitate a re-enactment march to commemorate the centenary of the Men From Snowy River route march. This march was one of nine known as the “snowballing recruitment marches”.

These marches are one of the most important historical events in Australia's short history and it is very important to educate future generations about the commitment not only by those who joined, but also by the community they left, some to never return and all that did scared by physical and emotional wounds. We are not glorifying war, and truly hope that through knowledge of the past future generations will demand conflict’s like WW1 never happen again.

The March is split into two components, the urban march and the ceremony and historical march. Urban marches are for Schools, RSL’s and community groups. As the original group passed through each town on their way from Delegate to Goulburn (on foot) they were treated to civic receptions, entertainment and lavish ‘supers’. A parade and reception have been organised in all the remaining towns along the route. It is hoped many people can join in for the parade, reception and join with the Snowy Mob in singing songs written at the time for and in some cases by the marchers. The Snowy Mob are a children’s choir. Part of the larger Children’s Commemorative choir founded by members of the Kangaroos' and supported by the NSW State RSL.

Anyone is welcome to join the marchers on any of the historic march sections (there is a pick up bus for those who may need it). Early registration is appreciated, but you can turn up on the day, under 16s must be accompanied by an adult.

It will be a unique opportunity to carry the flag, sing, whistle, reflect and remember those young men who passed along almost the same route 100 years ago.

The marchers will join with the other March groups for armistice (now known as remembrance) day in Sydney Nov 11th.

The service in Bungendore will be on November 9th beginning at 0930 on the Mick Sherd Oval. The entire school community will be participating in this once in a lifetime event. The marchers will be led by Canberra Pipe and Drums with a “Guard of Honour” formed by the students.
