Dear Parents,

Recently all of our Year 6 students had a Peer Support training day where they learnt about and practised the skills needed to run a K-6 group focussing on being a friend and maintaining friendships. Last week the Peer Support Program began with the Year 6 students leading 60 groups of children through the lessons. We are very proud of the excellent start the Year 6 leaders have made and have had many positive comments from both staff and the children.

On Monday 4th November nominations for 2014 School Captains will be opened. All Year 5 students will have the opportunity to nominate either themselves or another Year 5 student. Nomination forms will be available from all Stage 3 teachers. **Nominations close at 3.10pm on Friday 8th November. All nomination forms are to be handed in to Mrs Dabusti.** All successful nominees will speak at both Infants and Primary Assemblies during Weeks 6&7 *(Thursday 14th & Thursday 21st November)*. Voting will take place after these speeches and the successful candidates will be announced at the Primary Presentation Ceremony on Tuesday 10th December. This is an exciting and important part of our school year as we choose our young leaders for 2014.

We have recently changed our morning playground routines. Starting this week, all children will gather and sit in the top playground until 8.55am. When the 2nd teacher comes on duty, the middle playground will be opened so that there is more room for children to sit with their friends until the 9.10am bell rings.

Over the last couple of weeks the school has received $6200 of literacy resources. This money was donated by the P&C and the school will add another $3500 giving K-6 a fantastic boost to our current stock. As teachers we all get very excited about having many new books and resources to use in our classrooms. We are very grateful for the wonderful support we receive from our P&C and thank all our families who support the P&C fundraising events. And....... speaking of fundraising, please don’t forget the P&C’s 2014 Country Muster fundraiser. As Mel Swan (president, P&C) said at our recent Kinder orientation, they only need 70 people to do 1 hour each to staff this event. Please consider this and volunteer an hour.

Thank you for the positive comments about the usefulness of the Term 4 fridge calendar sent home at the end of last Term. At our P&C meeting on Tuesday evening there was some discussion about being able to print it at home as little fingers tend to scrunch them on the way home. The calendar is located on the website under *permission notes and links* if you wish to do this.

Volunteers needed for one of our major school fundraisers.

Expression of Interest

Our kids go back to school on Wednesday 29th January 2014. On the following weekend, 1-2 February, Bungendore hosts the Country Muster at the show ground. Each year parents from our school clean the amenities blocks at the show ground for the week before and during the Muster.

It is not long or difficult work, but it is a HUGE fundraiser for the School. Last year we earned $5000.00. All the money raised goes towards projects and resources at the school for the benefit of our kids, like the great new sports shed we are building.

Many of our long-term volunteer families are moving on as their kids grow. We need between 3 to 5 people per shift, and there are 20 shifts to cover.

It only costs you your time (approximately one hour each shift), all the cleaning products are provided. It is never difficult work and the patrons of the muster are always happy and helpful.

It would be great to see some new faces as it makes it easier on everyone, and more fun, if we can share the load.

If you want to find out more contact me on 0424591856 or email me at murnong@mac.com or fill in the sheet below to let us know you may be available and we can keep you in the loop.

Thank you in advance,
